SOME REMARKS ON FARMING

bring From Lung Trouble-- Wearing Another Man's Treasure.

best-and fibre Man, St. Louis, saye: "I me been selling books and shows the it year through Kentucky and write-sit, yes why the writing tables in the sit means always have a little sit in autifile on the top of the table? Swrite a good deal, but do not see at I can do with this part of it. If it intended for colligious purposes or for city, why not mark it. For the pastor." For the poor?"

"For the poor"

I do not know exactly what it is for, at have been told that this hole is used

ying some nort of game and was structured by Henry Clay, who was nately foud of it.

E.G. R. of Radway's Bridge writes:
"I have been suffering for some years
from hing trouble. I stopped at a hotel
some years ago in the older portion of he country, a hotel renowned more for is hospitality than for its nourishing ood, and for its glad welcome at the less than for its soothing, snowy beds. During the night a spiral spring got loose and buried itself in my person. In try-ing to get free it buried itself in my side sorning, for I could not ring the ell, and it was out of order too. So in the morning when I could arouse some by my weind cries the doctor was at for said discovered that a lobe of the lung had been pulled away by the spring. How can I regain my bealth, ad what climate would you suggest?"

You should at first take a large quantity of iron. This will brace you. There nothing like iron for bracing anything. Then go to some of the invigorating cli-Pacific coast or the Rocky moun-Sains. Avoid beinorrhages as much as possible, sise railroad eating bouses. If on could get your name on the list of languages inchans at one of the agencies, a would be a good idea, for you would you get fat and well. They live a good better than most of the poor ranch-and have nothing to do. There is a hof paint that you can wear for years soil over it, and you had better not is at all. Then by saying nothing will get on first rate. You could disn women, for you will not do so. Stoo government binnists will be given son, and you can send away for your whisky to some prohibition town in

Who is going to pay our board while a sit down by the rivers of Babylon

and weep?

Phi Kappa Pet, Baltimore, asks: "Is farming paying well in North Carolina and would you advise a young man to

It is hard to say. I can only tell how have prospered and how I would be glad to rope in some other young man to try it, and thus place some more money in circulation this summer. I belong to in some other young man to a society whose duty it is to add a new member each year, thus keeping the society in funds and placing more money in circulation each year, enabling these who have tried to raise giraffes for the park and memagerie business to exchange the plant for flour.

window on a rainy day and look out on the scene and notice what is not going on-to watch a large, fat, milkless cow have been making as she guyly muniors toward the orchard afterward to eat off

the costly grapes that are just beginning to heal on the parent tree.

If you wish to come here, don't forget to bring some soil, Psi. We need it. Soil and capital will be the making of our country. We have the sites for farms, but the man who agreed to fur-nish the soil was a North Carolina contractor and got to drinking. Thus he lost the apportionment of soil that belonged to thousast, and it was divided up

longed to thostate, and it was divided up between other states.

Still I do not know but it pays to farm here as well for those who destre to farm from the library window as it does any-where. The farmer who destres to con-duct a farm by red message will find a good place here. My corn last year cost me about the same as my railroad travel from Baltimore to California and back, but the latter saved my personal super-vision of the corn and enabled me to pay for the running of the farm maxt year. the running of the farm next

I rode with a conductor the other day in Dakota who had owned a farm several years. It stood now in his debt \$4,200, nd it was only a 160-acre farm. There I have the advantage of him, for my acrosge is less than balf. I am a believer in small farms. If my farm had been as large as my neighbor, Mr. Vanderhitta, was, I would have lost \$16,000.

Portunately I am well and strong and can take in washing in summer time and pick wild flowers for the wealthy people who come here for the season.

My wife enjoys farm life and has been led to believe that the female sheep comes off the next three times in the summer with a large brood of lambs. She loves to play on the piano for the

farmhands while they eat their dir I am going to try running the farm this summer from the tale of Wight and then write a book on cable farming and how it prolongs life. Yours truly,

- DELIGHTFUL MEETING

It Was All Right Until She Would the Location Settled. Naturally I was pleased when the hostess led me up and introduced me to

the prettiest girl in the room. And I was agreeably surprised when the young lady gave me a gracious smile and claimed me as an old acquaintance, frankly adding that it was needless to introduce us unless I had forgotten ber.

have been in the dark!" I thought to my-self. For how could I have falled to remember her? I have a very fine mem-

I had not caught her name. I could not place her. So I put a bold face on it and remarked unblushingly: "No, indeed, I have not forgetten you! But I thought a second introduction might be

nemery was as good as mine, I could see by the young lady's ex-pression that this little speech "went." It was accepted at its face value, and I was beginning to congrutulate myself on my presence of mind-for social lying does not come easy to me-when the womanly curiosity of the hostess led her to in-

How funny! So you and Jennie have met before?" she inquired.

"Oh, yes." I suswered promptly.

Then she deliberately floored me with the tacties point blank question, "Where?"—Harper's Bazar.

Parted Pereren.

"Am I to understand then, Miss Quillcutter," said the young man, nervously pacing back and forth over the bearakin cernat, "that all is over between ud Are all the attentions I have showered npon you during the past six months
the theater tickets, the supports, the
moonlight rides all are as nothing? May
I ask why, after all these evidences of my great love, you choose to return my ring and deciars that you never can con-sent to become my wife?"

"You may," replied the fair young enture as shootswife areas to her full puls. "Linter. James Wildhay, Ko-

overspreading his fine.

"Every seat was taken," she went in.

"The our stopped. A woman entered, and for 14 blocks she stood up while you were reading your paper. Do"—

But with a wild, despairing cry, James Wildhoy disappeared into the gathering darkness, and so his figure shot out of the open door she shricked after him:

"Yes, James Wildhoy, I was that woman."—Life.

A little misunderstanding due to Town Clork Charles N. Marsh's absorption in the dog taxing business happened in Hingham the other day. A young man walked bushfully into his office, and when his turn came be huskily or sed Hingham's veteran town clerk for a li-

"What name" asked Mr. Marsh. The young man gave his name, and the clerk wrote it down on a dog license/ "What bread, ago and color is it!" was

the next question.
"I didn't know you had to tell that,"

"Have to do that in order to identify them," said Mr. Marsh.
"But Mrs. — knows her. She has worked there a long time."
"Eh, what's that?" said the clerk.
"Why; we think of getting married," whispered the young man.
Mr. Marsh's statehouse friends think it was strange that he couldn't spot that sort of a customer at first glames.—Bes-

Catarrb of the Middle Ear-Saved From

Mr. W. D. Stokes, Baton Rouge, La, writes: "I had chronic catarrh very badly, noise in the ears, and nearly deaf. I used your Pe ru na according to directions and am now well; can hear the tick of a watch ten feet. Your Pe-ru-na is a wonderful medicine."

The only reason why some fall to get cured by the use of Pe-ru-na is either

because the catarrh is complicated by some organic disease or the patient does not take the medicine long enough. The majority of the people expect to be cured in a week or two of catarrh that has run for ten or fifteen years. Such people are nearly always disappointed. Pe ru na will cure recent cases of acute catarrh in a few days or weeks, but catarrh in a few days or weeks, but when the disease becomes chronic it takes longer. In case any one should fail to experience improvement after a reasonable trial he should not leave off taking Peru na until after writing Dr. Hartman, as a letter from him is almost sure to point out the cause of the fail-

Answers free. A treatise on catarrh in every phase of this dread disease is sent free to any address by The Pe ru-na Drug Manu-facturing company of Columbus, Ohio.

Since its first introduction. Electric Bitters has gained rapidly in popular favor, until now it is clearly in the lead among pure medicinal tonics and alteramong pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant, it is recognized as the best and purest medicine for all ailments of stomach, liver or kidneys—It will cure sick headache, indigestion, constipation, and drive malaria from the system. Guaranteed Cure.

We authorize our advertised druggist to sell Dr. King's New Discovery for Consumption, Coughs and Colds, upon this condition. If you are afflicted with a Cough, Cold or any Lung. Throat or Chest trouble, and will use this remerly as directed, give it a fair trial, and experience no benefit, you may return the bottle and have your money refunded. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoin Trial buttles 10c; large size, law and \$1,

Dr. M. J. Davis is a prominent physician of Lewis, Case county, Iowa, and has been actively engaged in the prac-tion of medicine at that place for the past thirty five years. On the 20th of May, while in Des Moines en route to Chicago, he was smidenly taken with an attack of diagrhous. Having sold Chamberiain's Colie, Cholera and Diarrhoea Remody for the past seventeen years, and knowing its reliability, he promped a 25 cent bottle, two does of which completely cured him. The excitement and

Enter by the 60th street (Midway Plaisance) gate and right before you is the Woman's Building. Pass through that, giancing over the interior, the paintings, etc., making mental notes of things inpressive. From the place of exit is but a short distance to lauding for graceful electric launches. The routes of these industrious little these industrious little boats is northward on the eastern shore of the la-goon and southward on the western shore. Your boat will, therefore, take ing on your right and the wooded isle on the left. Continuing on to the Continuing on to the south you pass successively the Choral Building, Transportation, with its severe figures, its wonderful statuary, mammoth and glittering goiden gate and gaudy colors. Rounding to the east you pass the Hunters' Camp to your left on a small island. On your right, Mines and Electricity. Passing these, you face the Liberal Art Building and turn around to the south through the morth canal to the Grand Basin, surrounded by the Administration, Agricultural and Liberal Arts Buildings, the Casino, Peristyle and Music Hall. Here will be seen the Macmonics fountain and the immense gilded statue of America. This trip secures an extended view of exteriors. Leavtrip secures an extended view of exteriors. Leav ing the boat at one of the landings in the Grand Basin, a stroll down past Basin, a stroll down past the Casino will bring you to the reproduction of the quaint, old Monastery of De la Rabida, where the things of Columbus and bis times are to be found in profusion. Further on down are the Krupp Gun Works, Leather Exhibit, Forestry, Dairy, etc., and the terminus of the ele-vated electric line. Take vated electric line. Take a rest by riding on this intramural railway and you will pass in order named windmills, fac simile of pre-historic cliff dwellings, Stock pavilions, on around the west end of the Machinery Building, over the top of the Transportation Building, along the western limit to the fair, thence away up to the north, with a peep into the Esquimaux enclosure. They along the northern vated electric line. Take

Esquimaux enclosure. They along the northern boundary, past the various state buildings, beside the eastern front of the ArtGalleries and the Fisheries Building, and down again as far as the Government and Liberal Arts Buildings. The foreward Buildings. The forego-ing route will have given you a comprehensive except the Midway Plais ance. A stroll along the lake side of the Government Building northward to the lagoon another wiff give you near views of the Life Saving Station, Fisheries Build-ing, Chinese Tea House and Garden, Illinois State Building, Art Galleries, the Government Build-ings of Brazil, Nicaragua, Costa Rica, Guatemala Ecuador; Indiana, Ohio and Rhode Island State structures, and land you at Woman's Buildng. Here a res after which a short walk brings you back to where you entered, and at which you will find the entrance to the Midway Plaisance, which extends due west or fourteen city blocks. Such a trip should be taken on the first visit it will be the most satis factory because it will reduce the anxiety and the only trip the reader is to get the advice stands for the outside of the buildings is the grander of the two. Of course the first thing is to get to Chicago and a good pre-lude to a great show is a ride over the Chicago & West Michigan Ry. The White City Flyer now leaves at 7:15 a. m and stops at the Midway at noon. We solicit your recognition of our efforts by patronizing our line. GEO. DEHAVEN, Gen'l

Fifty cents is a small doctor bill, but that is all it will cost you to cure any ordinary case of rheumatism if you use Chamberlain's Pain Balm. Try it and you will be surprised at the prompt re-lief it affords. The first application will quiet the pain. 50 cent bottles for sale by F. J. Wurzburg, druggist, No. 58 Monroe street.
